Angel

Unwritten Law

Looking into your eyes i see all i want to be i don't want it to end if i could only put to words the way i see you i only know i have an angel with me now and when i fall asleep you're all that i see you're in my thoughts and all of my prayers i wish i could be all that you mean to me my angel without wings my angel i wish you could see all that you mean me but i can never find the words to tell you and when i fall asleep you're all that i see you're in my thoughts and all of my prayers i wish i could be all that you mean to me and when i fall asleep you're all that i see you're in my thoughts and all of my prayers i wish i could be all that you mean to me my angel without wings
