

Everyone Loves to Love a Lie

Advisory - the following lyrics contain explicit language:

She put her shoulder down into the rain
She doesn't know how she's gonna explain
The way it's always been it'll probably be again
'Cause everyone loves to love a lie Can't wait for the rain to stop falling
Such a victim of circumstance
On the edge and she thinks of running
Shattering all their plans Late again and he won't stop calling
Such a victim of her romance
Struck down by a strange cold addiction
He never had a chance She'll need a miracle to keep her feet down on the ground
She'll need a miracle if she's ever to be found
Yeah, and I swear it won't be long
'Cause everyone loves to love a lie By the glow of a red light flashing
She's a vision of poetry
Not sure just where she's crashing
Or who she's supposed to be Doesn't know if it's him she's feeling
Doesn't know if it's someone else
Around the bend there's a wrong turn coming
She's putting it on herself She'll need a miracle just to keep her feet down on the ground
She'll need a miracle if she's ever to be found
Yeah, and I swear it won't be long
'Cause everyone loves to love a lie She'll go where she wants to go
Where she wants to go, where she wants to go She'll need a miracle just to keep her feet down on the ground
She'll need a miracle if she's ever to be found
Yeah, and I swear it won't be long
'Cause everyone loves to love a lie 'Cause everyone loves to love a lie
'Cause everyone loves to love a lie
'Cause everyone loves to love a lie
'Cause everyone loves to love a lie
'Cause everyone loves to love a lie
