You Don't Know

Will Young

You Took me in
When id fallen apart,
Took me back to the start
Where to begin
I was broken alone,
There were pieces of me
You saved me
The search was sweet
The piece of the puzzle,
The end of my troubles
When you found me

You don't know what you did for me
I was all alone, I was nearly gone
You don't know when you carried me
Took my broken bones and put them back together.

You took me back
I had fallen off track,
A castaway out in the sea
You set my path
Your a safe place to fall,
Gave me comfort and sweetness
You saved me
Gracefully
The end of my troubles,
'Cause you burst a bubble
When you found me

You don't know what you did for me
I was all alone, I was nearly gone
You don't know when you carried me
Took my broken bones and put them back together.

You don't (you don't know) know what you did for me (did for me)
I was all alone, I was nearly gone
You don't know (you don't know) when you carried me (carried me)
Took my broken bones and put them back together.

You don't know (you don't know) what you did for me

I was all alone, I was nearly gone
You don't know (you don't know) when you carried me
Took my broken bones and put them back together.

You took me in
