

Make A Move

Cypress Hill

Ezekial 25: 17

The path of the righteous man is beset on all sides by the inequities of the selfish and the tyranny of evil men. Blessed is he, who in the name of charity and good will, shepherds the weak through the valley of darkness, for he is truly his brother's keeper and the finder of lost children. And I will strike down upon thee with great vengeance and furious anger, those who attempt to poison and destroy my brothers.

AND YOU WILL KNOW MY NAME IS THE LORD,
WHEN I LAY MY VENGEANCE UPON THEE!(Shots fired)

Smokin' MC's like a bowl of Buddha

Burnin' in my bong NOW

You don't want to step to the rhythm of the funk degrees

You'll be a prisoner in the temple of thieves

Move it out, just move it on out, no doubt

We the number one crew

Kickin' more gas niggas out the house

Puttin' up an argument, just don't bother

'Cause I'll whoop that ass just like I'm your father

Take heed to the master's call yes y'all

(Bring your cell-phone cause I fade them all)

Bullets fly

But they don't give a fuck about who dies

When you're in the middle of the fuckin'

No question, confrontation

Nowhere to run from the assassination

Let the rain come down

Whoops there goes another body on the ground

Watch out for G hound

It's the undisputed Cypress family

Kickin' up dust can you handle us fragilly

Growin' inside your mind like a tumour

Spreading in your head like a rumor

Venomous!

I'm from the underground, I take care of business

What the fuck is this?

Move 'em out! Move 'em on out! Move 'em out!

Move 'em out! Move 'em on out! Move 'em out!

Move 'em out! Move 'em on out! Move 'em out!

Move 'em out! Move 'em on out! Move 'em out! Suckas come in all shapes sizes and colors

Let me get the rope
And hang 'em 'till their fuckin' necks broke
Wind passage cut off, now you can't breathe
Let me give you what you need
A fat dose of the good weed
Like a puppet on a string
I'm the one controlling your ass
With the rough shit here to bring
My army grows like the buddha I sold ya
Every seed planted is another fuckin' soldier
Like the 'coup d'etate'
Now ya are in the middle of the ambush
Stuck in your car
They can't find ya
At the bottom of the lake
Let me remind ya
You better be lookin' behind ya
It's too late, ain't no one standin' here
Hallucination, bees hummin' in your ear
Paranoia, dwelling to your dome piece
Increase, the level of the terror that move ceased
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Make a move, make a move, every posse make a move
Make a move, make a move, every posse make a move
Make a move, make a move, every posse make a move
Make a move, make a move, every posse make a move
Come on
Open up the doors for the high funk buddha
With the light point the dick can die
Rolling with the six shooter
Thirty-eight
Still shootin' real straight
Lookin' for the buster that I must eliminate
No surprise
As the inches demise
Let the four flow
As I look him right in the eyes
And rip these niggas in half
With the (fabergraph)
They can't find a path
I like the aftermath
Still I reign the sect we remain
The big bad Cypress Hill, fuckin' niggas up again
When I aim I'm scopin' for your brain
Brother stay low, cross-hairs break you up the frame
Move 'em out! Move 'em on out! Move 'em out!

Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!
Move 'em out! Move 'em on out! Move 'em out!

Move 'em out! Move 'em on out! Move 'em out! Ahh, now that the mind is open so one can clearly see what
they clearly
don't want you to see. But it's obvious, isn't it my brother? Get the
smoke from in the front of your eyes, got to realize, anybody don't like it:
move 'em on out.
