Lullaby

Quiet One

Sleep,
My darling, sleep,

And when we wake we will be far away from here,
So sleep,
My darling, sleep,
Weâ€™ll try our hardest not to disappear,

Now sleep,
My darling sleep,
I promise I will never leave your sight,
Not tonight,
A lullaby, A lullaby, A lullabyâ€¦

Iâ€™ll hold you close I wonâ€™t turn out the light,
Donâ€™t you worry, everythingâ€™s all right,
And sleep..
We need to sleep,

Be sure that you donâ€™t ever make a sound,
Please sleep,
My darling sleep,
And they will never find us, silent in our beds,

A lullaby, A lullaby, A lullabyâ€¦
Iâ€™ll hold you close I wonâ€™t turn out the light,
Please donâ€™t worry, I wonâ€™t leave your sightâ€¦
You rest your head on your pillow,

Drift into a world so mellow,
Ignore all the screams and all the,
Explosions outside your window,

Iâ€™ll hold you close I wonâ€™t turn out the light,
Donâ€™t you worry, everythingâ€™s all right,
Iâ€™ll hold you close I wonâ€™t turn out the light,
Stay with me dear, I will save your life.

A lullaby.
