Burst (Peel Session 24/7/78)

Magazine

Once you had this promise
On the tip of your tongue
But it went without saying
It went on too longAll the straws you clutched at
Have burst into flames
And so you smile that way
Tantalizingly lameThe smart ones understand
How your heart bursts
Like a bottle of champagne
Your just dessertsThe smart ones understand
You shouldn't settle for less
You're gonna forget yourself
In my happiness
