

Goose Gogglez

Brokencyde

Goose
Goose
One shot
Two shot
Three shot
Four
Everybody on the Dance floor
One shot
Two shot
Three shot
Four
I'm drunk and I want some more
Goose
Goose
Go and lick it up
Chilling at the club
You know I wanna Fuck
Yeah I'm looking for a slut, ____? Lady with a nice round butt
Girl drop it low
You suck my dick like a popsicle
I'm not that smart
But your boy got head
Got drunk and woke up in my bed
Lets get drunk and go back to my Crib
I got the dro' that we can smoke that shit
Lets get drunk and go back to my crib
All the hoes already know that shit
One shot
Two shot
Three shot
Four
Everybody on the Dance floor
One shot
Two shot
Three shot
Four
I'm drunk and I want some more

Goose

Woke up late
Sleep till 6
Gotta little buzz
I still feel drunk
I guess thats why they call us crunk
But then I turned my head
Saw that girl jumped off my bed
I freak out like "What the Fuck
I guess your boy got to drunk
I woke up drunk and this is what I said
This fat bitch jump off my bed
I woke up drunk and this is what I said
A cord was wrapped around my neck
One shot
Two shot
Three shot
Four
Everybody on the Dance floor
One shot
Two shot
Three shot
Four
I'm drunk and I want some more
Go and lick it up
One shot
Two shot
Three shot
Four
Everybody on the Dance floor
One shot
Two shot
Three shot
Four
I'm drunk and I want some more
Goose
