

So Much Money

Juicy J

Man I get so much money, man I get so much money,
A nigga like me don't give a fuck about the price,
Man I get so much money, man I get so much money,
I gotta P. Diddy swag, and a Hugh Hefner life
Man I get so much money, man I get so much money,
A nigga like me don't give a fuck about the price,
Man I get so much money, man I get so much money,
I gotta P. Diddy swag, and a Hugh Hefner life
Man I get so much money, love a bunch of snow bunnies,
Take em to the crib, get em in the pool and then fuck em,
Take them bitches gamblin', and do some shit that Hammer did,
And go and blow a hundred racks, [?]
Foreign cars, push-buttons, anything to keep me stuntin',
Foreign chicks are freaky sumthin, pull it out she start suckin,
Bitch I got the best weed, Cali keep me puffin',
And I do alot of drugs, just like David Ruffin,[Chorus]
Man I get so much money, man I get so much money,
A nigga like me don't give a fuck about the price,
Man I get so much money, man I get so much money,
I gotta P. Diddy swag, and a Hugh Hefner life.
Man I get so much money, man I get so much money,
A nigga like me don't give a fuck about the price,
Man I get so much money, man I get so much money,
I gotta P. Diddy swag, and a Hugh Hefner life.
Man I get so much money, I ball like the NBA,
But I don't run down the court, I be on a paper chase,
Heard they got a brand new Lamb', I'm gon' flip dat shit today,
I'm gon' find miss Halle Berry, Flip dat bitch like Eric Benet,
15 racks, 20 stacks, in the strip I got to waste, money
Cause I can bitch, just for all you niggas hatin',
I love dem stripper hoes, pretty smiles all races,
And I would love to nut in any one of dem hoes faces,[Chorus]
Man I get so much money, man I get so much money,
A nigga like me don't give a fuck about the price,
Man I get so much money, man I get so much money,
I gotta P. Diddy swag, and a Hugh Hefner life, bitch.
Man I get so much money, man I get so much money,
A nigga like me don't give a fuck about the price,
Man I get so much money, man I get so much money,
I gotta P. Diddy swag, and a Hugh Hefner life, bitch.
