

How Great His Love For Me

The Collingsworth Family

Verse 1 When I take my first breath in Heaven,
and these feet of mine finally touch gold.

When my eyes see the face of redemption,
only one dream remains to unfold.

Chorus
To stand before the Father's throne
and hear him say child welcome home.

My only thought will surely be
how great how great his love for me.

Verse 2
How can I not praise him for Calvary
and the gift of salvation through grace.

It's my hearts great desire to behold him
and to thank him at last in that place.
