# Black Mirror

## Broken Note

I walk down to the ocean
After waking from a nightmare.
No moon no pale reflection.
Black Mirror, Black Mirror
Shot by a security camera
You can't watch your own image
And also look yourself in the eye.
Black Mirror, Black Mirror, Black Mirror
I know a time is coming
All words will lose their meaning
Please show me something that isn't mine
But mine is the only kind that I relate to.
Le miroir casse,
The mirror casts mon reflet partout.
Black Mirror, Black Mirror, Black Mirror
The black mirror knows no reflection.
It knows not pride or vanity.
It cares not about your dreams.
It cares not for your pyramid schemes.
Their names are never spoken.
The curse is never broken.
The curse is never broken.
Un! Deux! Trois! Dis: Miroir Noir!
Black Mirror!
Un! Deux! Trois! Dis: Miroir Noir!
Black Mirror!
Mirror, mirror on the wall,
Show me where them bombs will fall.
Mirror, mirror on the wall,
Show me where them bombs will fall.Black Mirror!
Black Mirror!
Black Mirror!
