I Know U Know

Basshunter

I think it's time that you let go
At the end of the day I know you know
But where is my DJ?
I know you know
Our love had faded a long time ago
Now it's time to move on
Now go insane
I know you know
The time we had felt like sunshine in our lives
But now it's time for me to go
Like this, hit it
Are you ready for this?
But where is my DJ?
I think it's time that you let go
At the end of the day I know you know
I know you know
Our love had faded a long time ago
Now it's time to move on
Now go insane
I know you know
The time we had felt like sunshine in our lives
But now it's time for me to go
Hit it
