

# Please (The Voice Performance)

## Sawyer Fredericks

She come to me with a gentle touch  
A love so real it was far too much  
For a boy like me with a worried mind  
To believe in you, I got to close my eyes  
You want me to say please  
Baby, I can say please  
You want me to get down on my knees  
Baby, I can get down on me knees  
I can say please My will was strong, but my legs were weak  
I could not walk and I could not speak  
Love that you gave me, was so way down south  
Baby, I was born just to kiss your mouth  
You want me to say, (You want me to say) Please  
Baby, I can say please  
You want me to get down on my knees  
Baby, I can get down on my knees  
I can say please So I became apart of you  
And you became apart of me  
See, I had no choice but to lie to you, you see  
If I'd told you the truth, you'd a set me free  
You'd a set me free  
You want me to say,
