

# All the Man That I Need

Whitney Houston

I used to cry myself to sleep at night  
But that was all before he came  
I thought love had to hurt to turn out right  
But now he's here  
It's not the same  
It's not the same[Chorus]  
He fills me up  
He gives me love  
More love than I've ever seen  
He's all I've got  
He's all I've got in this world  
But he's all the man that I needAnd in the morning when I kiss his eyes  
He takes me down and rocks me slow  
And in the evening when the moon is high  
He holds me close  
And won't let go  
He won't let goHe fills me up  
He gives me love  
More love than I've ever seen  
He's all I've got  
He's all I've got in this world  
But he's all the man that I needHe fills me up  
He gives me love  
More love than I've ever seen  
He's all I've got  
He's all I've got in this world  
But he's all the man that I needHe fills me up  
He gives me love  
More more more love, more love, more love, more than I've ever seen  
He's all I've got  
He's all I've got in this world  
But he's all the man, all the man
