Yummer Yummer Man

Danielle Dax

Waitin' at the corner or underneath the stair
Best turn your thoughts away
Pretend that he's not there
Lurkin' in the front room and always at the rear
Tell you lots of crazy things
It's better not to hear
Oh no!
Yummer Yummer Man
Don't you mess with me
Oh no!
Yummer Yummer Man
I don't wanna see
Lah lah lah
Standin' at the beside as you are born
To clasp you to him
When the angels have all flown
And when he comes to get you you'd better go along
He's there to take you to
The place where you belong
Oh no!
Yummer Yummer Man
Don't you mess with me
Oh no!
Yummer Yummer Man
I don't wanna seeLah lah lah
