Clever Dog

Sundown Delay

A puppy puppet nice and quiet as you donâ€™t even moan
Kindly wait for your master to throw you a bone
And youâ€™re not gonna bite
No youâ€™re not gonna bite
Clever dog

A reprimand and a slap if you donâ€™t do as they please
Fake freedom when youâ€™re leashed by the hand that feeds
But you ainâ€™t gonna bite
No you ainâ€™t gonna bite
Clever dog

When they reward you you will yelp and wave your tail
A sneak reminder to prevent you not to misbehave
So you ainâ€™t gonna bite
No you ainâ€™t gonna bite
Of course you ainâ€™t gonna bite
Clever dog
