Incense and Peppermint

Strawberry Alarm Clock

Advisory - the following lyrics contain explicit language:

Good sense, innocence, cripplin' mankind
Dead kings, many things I can't define
Occasions, persuasions clutter your mind
Incense and peppermints, the color of timeWho cares what games we choose
Little to win, but nothing to loseIncense and peppermints, meaningless nouns
Turn on, tune in, turn your eyes around
Look at yourself, look at yourself, yeah, yeah
Look at yourself, look at yourself, yeah, yeah, yeah, noTo divide this cockeyed world in two
Throw your pride to one side, it's the least you can do
Beatniks and politics, nothing is new
A yardstick for lunatics, one point of viewWho cares what games we choose
Little to win, but nothing to loseGood sense, innocence, cripplin' mankind
Dead kings, many things I can't define
Occasions, persuasions clutter your mind
Incense and peppermints, the color of timeWho cares what games we choose
Little to win, but nothing to loseIncense and peppermints
