

# What Is It You Want

## Donna Summer

Talk)

You know what?

I think I'm gonna run for President

Well, I think I'm just gonna run

I think I'll run for President

(Chorus):

(what is it you want?) (x2)

Everybody wants somebody sometime (x2)

(Jam):

You say, you say, you say, you say you want love

You say, you say, you say, you say you want me

You say, you say, you say, you say you want money

You say, you say, you want to be free

Everybody wants somebody sometime

Everybody needs somebody sometime

(Chorus x2):

(Talk):

If I was a President you know what I'd do?

I'd say to all the people

What would I do for you?

(Chorus):

What is it you want?

What is it you need?

What is it you want?

What do you want from me?

Sometime...

Everybody wants somebody sometime (x2)

(Chorus):

What is it you want?

What is it you need? (x2)

(Talk):

Is it money?

Yeahhhhh

Is it power?

Yeahhhhh

What about love?

Oooohhhh

A new car?

Yeahhhhh

(Talk):

You know, if I was President  
I'd ask all the people what they want  
I'd try to find out what the people want  
You can't get something for nothing (x4)  
Everybody wants somebody sometime  
Everybody wants somebody sometime  
You can't get something for nothing (x4)

(Chorus):

Everybody wants somebody sometime  
Everybody needs somebody sometime

((Talk):

If you think you can get it for nothing  
Well baby you're mistaken  
'cause in this whole life  
You can't get something for nothing, no, no  
You can't get something for nothing...
