Standunder - My Little Funhouse

My Little Funhouse

(Lyrics and Music-Alan Lawlor)

No one understands me
No one can connect with me
But you are my baby
Can you see inside me

You tell me you love me
But I donâ€™t believe you
You tell me you want me
But I donâ€™t trust you

So what are you gonna do about it baby
How are you gonna show me that you care
What are you gonna do about it baby
How are you gonna show me youâ€™ll always be there

No one understands me
No one can connect with me
But you are my baby
Can you see inside me

You tell me you love me
But I donâ€™t believe you
You tell me you want me
But I donâ€™t trust you

So what are you gonna do about it baby
How are you gonna show me that you care
What are you gonna do about it baby
How are you gonna show me youâ€™ll always be there

So what are you gonna do about it baby
How are you gonna show me that you care
What are you gonna do about it baby
How are you gonna show me youâ€™ll always be there
Always be there
Always be there
Always be there
Always be there

Always be there
Always be there
