

Had a Dad (Live 1990)

Jane's Addiction

Had a dad, bug and strong
Turned around, found my daddy gone
He was the one made me what I am today
It's up to me now, my daddy has gone away
Well I spoke to the mountain, I listened to the sea
Both told me that the fountain was the best that you can be
My daddy's hand, it grewed
Slow to the lickin' sonny boy
Grow to whip him even tried to call
Got that funny feeling
He's not there at all
