Free The People

[Barbra Streisand](#)

Free the people from the fire
Pull the boat out of the raging sea
Tell the devil, he's a liar
Come and save the likes of me
Saw your lives from the streets
As I passed by the other day
I was scared, my knees were weak
Forgot what I had came to say
Free the people from the fire
Pull the boat out of the raging sea
Tell the devil, he's a liar
Come and save the likes of me
Saw a man walk on water
With everybody looking on
I didn't know I was his daughter
Till both of us had come and gone
Free the people, yeah, from the fire
Pull the boat out of the raging sea
Tell the devil, he's a liar
Come and save the likes of me
If you see me in the alley
Looking like I don't belong
You can put me in your deepest valley
I'll still be singing the same old song
Free the people from the fire
Pull the boat out of the raging sea
Tell the devil, he is a liar
Come and save the likes of me
I said, "Free the people from the fire
Pull the boat out of the raging sea
Tell the devil, he's a liar
Come and save the likes of me"
Free the people from the fire
Pull the boat out of the raging sea
Tell the devil, he's a liar
Come and save the likes of me
