Patrick Kelly

Rolled the stone like Sisyphus
You said "Why me?" is not the question here
"Why not me?" was your answer
Walking with your head high
Facing the challenge gave you consciousness
A light that shows where true freedom is
It's hidden in the shadows
I wish I would have told you
In case I never showed you.
I just wanna tell you Beautiful soul
Beautiful soul
Don't
don't
don't you know?
You're a beautiful soul You were changing everything
Turning the worst into the better thing
That's why everyone adores you
But I forgot to tell you
Maybe no one ever showed you
Oh can you hear me when I call you? Beautiful soul
beautiful soul
don't
don't
don't you know?
You're a beautiful soul
beautiful soul
don't
don't
don't you know?
You're a beautiful soul
Oh don't you know?
You're a beautiful soul Oh roll your stone! You're a beautiful soul
Don't you know?
You're a beautiful soul
Don't you know?
Roll your stone Roll your stone! You turn your???
With laughter and serenity
I treasure every memory
Don't you know

From the cradle to the grave
Your breath of life will remain
You see the world outside the cave
Don't you know?
You're a beautiful soul
