Nymphoteens

Scarlet

Advisory - the following lyrics contain explicit language:

Are you vulnerable right now? Can I own you somehow?
Living out your sweetest dream. Making every nympho scream.
do I make you feel degraded? Like a worthless piece of meat.
Bound beaten and overrated. Nyphoteens silver screens.
We are all just fiends. Tell me I'm your sex machine.
Or date raping every teen. I'm your narcissistic self-esteem.
