Over My Head

Brian Littrell

I tried to figure it out
Time and time again and time again
I guess there's just some things
I'll never understand
'Cause Your ways aren't our ways
But deep down in my soul, down in my soul
There is one thing I know that I know
Yeah, I'm in over my head
Right where I wanna be
I'm so lost within Your love
The love that always covers me
So high, so deep, so wide
A strong and cleansing tide
My soul has found a place to rest
I'm in over my head
I've been holding on
And now I'm letting go, just letting go
Gonna let Your love carry me away
I don't know where I'm going
Yeah, I'm surrounded by the truth
And I can feel the current pulling me
Deeper and deeper into You
I'm in over my head
Right where I wanna be
I'm so lost within Your love
The love that always covers me
So high, so deep, so wide
A strong and cleansing tide
My soul has found a place to rest
I'm in over my head, I'm in over my head
Yeah, I'm in over my head
And right where I wanna be
I'm so lost within Your love
The love that always covers me
So high, so deep, so wide
A strong and cleansing tide
My soul has found a place to rest
I'm in over my head, I'm in over my head, I'm in over
You see me for who I am

You did reach out Your hand
You made me understand
That Your love has always covered me
