

# Dance

## Puerto Muerto

Take me to China  
Take me to France

We'll take Jenemy  
Then we will dance

Dance and dance and dance  
Dance and dance and dance

Take me to London  
I wanna see Trafalgar Square  
Please don't be raining  
When we get there

Dance and dance and dance  
Dance and dance and dance

Because it's hard here  
And it's so cold  
I'm drowning and waiting  
When I'll be told  
When I'll be told  
When I can go home  
When I can go home

Take me to China  
Take me to France  
We'll Jeremy  
Then we will dance

Dance and dance and dance  
Dance and dance and dance
