

# Give Me What I Want

## The Donnas

I see you making out like a solid gold  
You say you keep your nose clean  
But there's not a word out been told, oh I came here to find you  
I came to remind you  
Don't you miss the games  
That we used to play? Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them all  
Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them about you So who's your girlfriend?  
Looks like a real winner  
Sweet little sister don't know  
That you're my sailor, oh I came here to find you  
I came to remind you  
Don't you miss the games  
That we used to play? Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them all  
Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them about you Oh, what I want  
Oh, give me what I want  
You're really making out  
You're a solid gold You keep your nose clean  
But I know you've been missing me I came here to find you  
I came to remind you  
Don't you miss the games  
That we used to play? Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them all  
Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them about you Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them all  
Oh yeah, oh yeah, give me what I want  
Oh, I'm gonna have to tell them about you
