

I Want to Hold You in My Dreams Tonight

[Stella Parton](#)

I want to hold you in my dreams tonight
When I'm holding you everything seems so right
Even when I'm sleeping you're still on my mind
And I want to hold you in my dreams tonight
Some dreams are shattered and broken in two
But you fulfill my dreams and make them all come true
You're always loving me in every dream I dream of you
And I want to hold you in my dreams tonight
No one could make me feel quite the way that you do
These feelings inside of me
They just prove just how much I love you
It feels so good with you lying by my side
Oh and I want to hold you in my dreams again tonight
No one could make me feel quite the way that you do
These feelings inside of me
They just prove just how much I love you
It feels so good with you lying by my side
Oh and I want to hold you in my dreams again tonight
I want to hold you in my dreams tonight
When I'm holding you everything seems so right
Even when I'm sleeping you're still on my mind
And I want to hold you in my dreams tonight
