I'm That Kind Of Girl

Patty Loveless

There's a man in a Stetson hat, howlin' like an alley cat
Outside my window tonight
Sayin', "Baby, put on something hot, meet me in the parking lot
About a quarter to nine"I get the feelin' that he's never read Romeo and Juliet
I'm gettin' tired of these one night stands
But if you want to make a real romanceI'm that kind of girl, I'm that kind of girl
I ain't the woman in red, I ain't the girl next door
But if somewhere in the middle's what you're lookin' for
I'm that kind of girl, yes I'm that kind of girlLet me tell you that I like my lovin' just as much as any woman
But I'm drawin' the line
A little sensitivity always seems to get to me every time
I'm a sucker for a love-sick fool
The kind that carries all your books in school
I'm getting tired of these one night stands
But if you're lookin' for a real romanceI'm that kind of girl, I'm that kind of girl
I ain't the woman in red, I ain't the girl next door
But if somewhere in the middle's what you're lookin' for
I'm that kind of girl, yes I'm that kind of girlI'm that kind of girl, I'm that kind of girl
I ain't the woman in red, I ain't the girl next door
But if somewhere in the middle's what you're lookin' for
I'm that kind of girl, yes I'm that kind of girlI'm that kind of girl, oh whoa
I'm that kind of girl, oh whoa
