Anna Sun

Walk the Moon

Screen falling off the door door hanging off the hinges my

Feet are still sore my back is on the fringes

We tore up the walls we slept on couches

We lifted this house we lifted this houseFire-crackers in the east my car parked south

Your hands on my cheeks your shoulder in my mouth

I was up against the wall on the west mezzanine

We rattle this town, we rattle this sceneO, Anna Sun

O, Anna SunWhat do you know? this house is falling apart

What can I say? this house is falling apart

We got no money, but we got heart

We're gonna rattle this ghost town

This house is falling apartScreen falling off the door door hanging off the hinges

My feet are still sore my back is on the fringes

We were up against the wall on the west mezzanine

We rattle this town we rattle this sceneO, Anna Sun

O, Anna SunWhat do you know? this house is falling apart

What can I say? this house is falling apart

We got no money, but we got heart

We're gonna rattle this ghost townWhat do you know? this house is falling apart

What can I say? this house is falling apart

We got no money, but we got heart

We're gonna rattle this ghost town

This house is falling apart

This house is falling apartLive my life without

Station wagon rides

Fumbling around the back

Not one seat belt on

Wait for summertime

Coming up for air

Now it's all a wash

Now it's all a washLive my life without

Coming up for air

Now it's all a wash

I want everyone

Racing down the hill

I am faster than you

Wait for summertime

Wait for summertimeO, Anna Sun

O, Anna Sun, sunWhat do you know? this house is falling apart

What can I say? this house is falling apart
We got no money, but we got heart

We're gonna rattle this ghost townWhat do you know? this house is falling apart

What can I say? this house is falling apart

We got no money, but we got heart

We're gonna rattle this ghost town

This house is falling apart

This house is falling apart

This house is falling apartWe're gonna rattle this ghost town

This house is falling apart

This house is falling apart
