

Jump (feat. Trippie Redd)

Julia Michaels

[Intro: Julia Michaels]

Mmm, ah[Verse 1: Julia Michaels]

Stay right there, get away

I need space, I told you yesterday

Slow the pace down

But then I see your face

Can we do that tomorrow? (Can we do that tomorrow?)

'Cause now you're moving in

On my skin

I move back with my lips

It goes against my better judgement

'Cause I, 'cause I want it, ah

[Pre-Chorus: Julia Michaels]

And I'm gonna be cliché here for a minute

And tell you that I've been hurt before (hurt before)

So I think I'm gonna need another minute

To not hurt no more (no more)[Chorus: Julia Michaels]

'Cause all I do is jump right into your arms

Every time I see you, I just wrap myself around you

Yeah, jump into something real

Even though I'm cautious, I just like the way it feels

When it's us, baby, when it's us

You make me forget that I'm not ready for love

I jump, oh, I jump

[Verse 2: Julia Michaels]

Look at me, being soft

Cut it all, my mind is getting lost

From your touch, I can't afford the cost

Only losing myself to you (losing myself to you)

And I didn't want these feelings, but I brought 'em

But I know that you know exactly when I caught 'em

And I'm trying not to think about it often but, ooh[Chorus: Julia Michaels]

'Cause all I do is jump right into your arms

Every time I see you, I just wrap myself around you

Yeah, jump into something real

Even though I'm cautious, I just like the way it feels

When it's us, baby, when it's us

You make me forget that I'm not ready for love

I jump, oh, I jump[Verse 3: Trippie Redd]

Jump, jump up in this foreign
Used to sleep on couches now the boy is really tourin'
If they sleep on me I tell 'em haters gon' sleep it away, yeah
Fell in love, but it ain't no trust
If it ain't no trust then that girl can't be my love
'posed to put my love above
But instead you gon' sleep it away, yeah
Like a earthquake, yeah I'm dealing with another lil' heartbreak
Man I wish I'd never met you in the first place
And that karma's gonna get you in the worst way, yeah
Don't throw your love away
Don't throw your trust away
You always run away
I wish you would fucking stay
But I guess we need another break[Chorus: Julia Michaels]
'Cause all I do is jump right into your arms
Every time I see you, I just wrap myself around you
Yeah, jump into something real
Even though I'm cautious, I just like the way it feels
When it's us, baby, when it's us
You make me forget that I'm not ready for love
I jump, oh, I jump
Yeah, yeah, yeah, yeah[Outro: Julia Michaels]
'Cause all I do is ('cause all I do is, 'cause all I do is)
Jump
Mmm, yeah
'Cause all I do is ('cause all I do is, 'cause all I do is)
Yeah, yeah, yeah, yeah
Jump
(('Cause all I do is, 'cause all I do is)
(('Cause all I do is, 'cause all I do is)
Jump (jump, jump, jump)
(('Cause all I do is, 'cause all I do is)
Jump (jump, jump, jump)
Jump
