Confession

M. Ward

Anybody got a load that they need lifting?
Anybody got a pain in their heart?
There's a place you can hide
When they conspiring against you
ConfessionSomebody and nobody can save today
Somebody made love it goes all the way
There's a place you can go
Where I know they'll never find you
Confession, confessionNow I'm on the low
Confession, to a virgin ghost
Admission, force you know
Admission, of what you doAnybody missed the train that left at the station?
Anybody lose a ticket stub and go home?
There's a place you can go
When you wander too far from home, yeahConfession, confession of the mother lode
Confession, to a virgin ghost
Submission, force you know
Admission, you can't do it aloneConfession, confession of the mother lode
Confession, to a virgin ghost
Submission, you wanna get back home
Admission, you can't do it aloneConfession, I'm forced to leave
Confession, you'll know what it is
Admission, but you know it's true
Admit that it don't come from you
