

Say Hello (Live at Whelans)

Gavin James

Ooh take my memories
Leave no more insecurities
Leave me as I am
And do it all over again
I want you to see now 'Cause lately all I think about
Is different ways to figure this one out
'Cause we were never meant to last
But that much is true But don't you know that I would stay with you
But I don't wanna hurt you
Just so you know
Please don't go, oh, oh
When I say goodbye, just to say hello See I don't care about the others
But you had a choice of something new
If you hadn't lied about your lovers
We'd have a chance of something true 'Cause I know this is hard for you
Like it's hard for me
Is this what people do when it's harder to breathe
And you know I can stay with you
But I don't wanna hurt you
Just so you know
Please don't go, oh, oh
When I say goodbye, just to say hello And Ooh
'Cause I know this is hard for you
Like it's hard for me
And is this what people do
When it's harder to breathe
Oh but it's not easy
To fall out of love
It's insanity now
You're all that I'm thinking Ooh Oh just so you know
Just so you know
That I say goodbye, just to say hello
