Sad Transmission

The Raveonettes

I wanna taste you
I wanna hold you tightJust let me tease you
Just let me eye you
Pretend that you don't careIntense moment
When our eyes crash
And from the wreck I emergeWith all the love
You ever dreamed of
Devoted to you, yeahOh, let me hold you
For one last timeYour heartbeat stops
When I tell you
That lovers always partA sad transmission
Brought to you by
Someone who doesn't care
