

# Dance and Dense Denso

## Molotov

Advisory - the following lyrics contain explicit language:

Brincos, jalones, codazos y empujones  
De caca recorde los famosos pisotones  
Ojos morados patada en los cojones  
En el slam entre matudos y pelones  
Santo tomas de los pelos parados  
A narizosos su piel le dejaste madreao  
Cayo el pedo, cayo de mi lado  
Dance, dense denso todo empanizadoFaster than the rayo  
We's the new freestylers a caballo  
Bone-break-dance intenso let goDance, and dense, denso  
Dance, dance, and dense, densoExcuse me if your hear me getting too loud  
It's that I get kind of crazy  
When you get me round the crowd  
Put a codo in you puto  
You get knocked out  
Come on sugar food  
You're gonna end up getting plowedCome on get rowdy, come on get bloody  
Come on get sweaty, hit somebody  
If you got the balls  
Come and take your chances  
And brace yourself 'cause it's some dense ass dancingFaster than the rayo  
We's the new freestylers a caballo  
Bone-break-dance intenso let goDance, and dense, denso  
Dance, dance, dance, dance
