

Icicles

Punchline

Frostbite You are an icicle (you are an icicle, warmth of the season can't melt)
You are an icicle (you are an icicle, coldest that I've ever felt) And I know, how it feels, to be facing the frost on
your own
This is the last time (this is the last time)
I let the winter have its way with me Frostbite, you are an icicle, as cold as an icicle
Frostbite, you are an icicle [Chorus]
And I know, how it feels, to be spending a Christmas alone
The presents you boxed still remain in the closet, wrapped up in boxes at home For some strange reason, thought
this was the season, I'm working on a naughty list. I know that these chills, are all just because of the air
This is my last time (this is my last time) by New Year's Eve, I'll forget a year. Frostbite [Chorus] So far I
haven't got anything I wanted. [Chorus] Left you a gift at your door, you won't see me anymore.
