God's Little People

Rochester/Matthews Tradition

You may wonder what the children do with skinned up knees and tennis shoes.
We may not look like we're worth a lot.
Being loved by God's own son makes us as big as anyone.
Cause we don't look big doesn't mean we're not.

Chorus
And we're God's little people. We got a light and we're gonna let it shine.
And we're God's little people. God's little people are Gods big people sometimes.

David was a kid with a sling in his hand.
Old Goliath was a big, big man. He said "David I'm gonna kill you with my sword". But David brought him down a size, with that rock between his eyes..... Because he came in the name of the Lord.

Repeat chorus

Zaccheus was little just like me so he climbed up a sycamore tree so he could see Jesus passing thru. But he slid down so fast to say "There's still no bark on that tree today".
Jesus said I'm coming home with you.
Lord I'd like to give my best to you but there's a lot of things I can't do.
I know I'm not tall and I'm not strong
but for small people everywhere "we've got something for the world to hear"
And Lord I'd like to sing to you this song.

Repeat chorus

God's little people are Gods big people sometimes
Repeat 3 times
