

# Win (2016 Remastered Version)

David Bowie

(Hey, it ain't over)  
Me, I hope that I'm crazy  
I feel you driving and you're only the wheel  
Slow down, let someone love you  
Oh, I've never touched you since I started to feel  
If there's nothing to hide me  
Then you've never seen me hanging naked and wired  
Somebody lied, I say it's hip  
To be alive Now your smile is spreading thin  
Seems you're trying not to lose  
Since I'm not supposed to win  
All you've got to do is win  
That's all you gotta do (ooh, it ain't over) Me, I'm fresh on your pages  
Secret thinker sometimes listening aloud  
Life lies dumb on its heroes  
Wear your wound with honor, make someone proud  
Someone like you should not be allowed  
To start any fires Now your smile is spreading thin  
Seems you're trying not to lose  
Since I'm not supposed to win  
All you've got to do is win  
That's all you gotta do (ooh, it ain't over) Now your smile is spreading thin  
Seems you're trying not to lose  
Since I'm not supposed to win  
All you've got to do is win  
That's all you gotta do (all you got to do is win) Now your smile is spreading thin (seek and believe in you)  
Seems you're trying not to lose (it ain't over, no no)  
Since I'm not supposed to grin (that's all you got to do)  
All you've got to do is win (it ain't over, no, oh)  
(Seek and believe in you)  
All you've got to do is win (it ain't over, no, no)  
Woo hooh, all you've got  
Is all you've got  
(It ain't over)  
It ain't over
