Liza Jane

The Pine Tree String Band

You've got my number
You've got my name
So why don't you call me?
Little Liza Jane
You've got that body
You've got that frame
So why don't you call me?
Little Liza Jane
Girl I got it bad for you
There ain't nothin' I won't do
Just one kiss and I'll never be the same
Little Liza Jane, oh little Liza Jane
Now you've heard my story
You've got to know my name
So why don't you call me?
Little Liza Jane
Girl I got it bad for you
There ain't nothin' I won't do
Just one kiss and I'll never be the same
Little Liza Jane, a' little Liza Jane
Little Liza Jane, little Liza Jane
