

Cleaning This Gun (Come On In Boy)

Rodney Atkins

The Declaration of Independence
Think I could tell you that first sentence but then Im lost
I can't begin to count the theories
I've had pounded in my head that I forgot I don't remember all that Spanish
Or The Gettysburg Address
But there is one speech from high school
I'll never forget Come on in boy, sit on down
And tell me about yourself
So you like my daughter, do you now?
Yeah, we think she's something else She's her daddy's girl
Her momma's world
She deserves respect
That's what she'll get, aint it son? Now, y'all run along and have some fun
I'll see you when you get back
Bet Ill be up all night
Still cleaning this gun Well, now that Im a father
Im scared to death one day my daughter
Is gonna find that teenage boy I used to be
That seems to have just one thing on his mind Shes growin' up so fast
It won't be long before
Yeah, Ill have to put the fear of God
Into some kid at the door Yeah, come on in boy, sit on down
And tell me about yourself
So you like my daughter, do you now?
Yeah, we think she's something else She's her daddy's girl
Her momma's world
She deserves respect
That's what she'll get, now ain't it son? Now yall go out and have some fun
And I'll see you when you get back
Probably be up all night
Still cleaning this gun Now it's all for show
Aint nobody gonna get hurt
Its just a daddy thing
And hey, believe me, man, it works Come on in boy sit on down
And tell me about yourself
So you like my daughter, do you now?
Yeah, we think she's something else She's her daddy's girl
Her momma's world
She deserves respect

Thats what she'll get, ain't it son?Now yall run along and have a little fun
And I'll see you when you get back
Probably be up all night
Still cleaning this gunSon, now y'all buckle up
And have her back by 10:00, uh
Let's say about 9:30
Drive safe
