Shining Water

AnÃºna

Shining water, silent daughter, face turn from the sun
Guiding light through silver night, your songs blend into one
Crystal morning dew is forming, falling through the trees
Deep inside your simple guidance whispers on the breeze

DanÃº, danÃº, danÃº, danÃº DÃ©
DanÃº, danÃº, danÃº, danÃº DÃ©

Radiant fire on distant mountains, guide your voice to me
Patterns of eternal light that set my spirit free
Dreams of ancient silent forests, visions of the past
Fill my thoughts, caress my mind and call for me at last

DanÃº, danÃº, danÃº, danÃº DÃ©
DanÃº, danÃº, danÃº, danÃº DÃ©

Silent daughter, shining waters, turn against the sun
Golden flight from silver night, the songs blend into one
As the evening mists are forming, falling through the trees
Fill my thoughts, caress my mind, I hear you call to me

DanÃº, danÃº, danÃº, danÃº DÃ©
