Busy (For Me)

Aurea

I tried to call you
But you dindn't answer the phone
I tried to pick you up
But you dindn't come along
I tried to talk to you
But you dindn't even answer me
I tried to reach you
But you're so high up above

Oh baby

I try every day
I cry every night
For a second of your time
But you're so busy for me
You don't care for my plea
So I cry.Cry.Cry, cry...
Oh...
I tried to tease you
But you didn't even care
I tried to love you
But your heart closed it's doors

Oh baby

I try every day
I cry every night
For a second of your time
But you're so busy for me
You don't care for my plea
So I cry, cry, cry, cry...

So you didn't come along
You didn't answer
You didn't care
You closed your heart for me

Oh...
(I tried to call you... Pick up the phone)

You're so busy...
