

Life Round Here

James Blake

[Hook: James Blake & Chance the Rapper]

Part time love is the life 'round here

We're never done

Now we're at square one

Life ain't been 'round here in a minute

Here ain't been 'round my whole life

And we waited too long

Chaos been 'round for a minute

Marketed, bottled it up

But wear that fake smile like a cape

Save yourself first, save yourself first[Verse 1: James Blake]

Part time love is the life 'round here

We're never done

Everything feels like touchdown on a rainy day

Part time love is the life 'round here

We're never done

Everything feels like touchdown on a rainy day

Now we're at square one

And we waited too long

So we're back to square one[Verse 2: Chance the Rapper]

Why every time I land in London, land of Lincoln all on my mind?

I plan to plane it back after playin' a packed show in due time

I'm 'round about I bought a round of English ale for my pals

A bouncer sold a ounce of rubbish weed to me for like 20 pounds

I think my english's getting real real bad

Cause this dumb bitch said I'm real real bad

No sprechen sie Dumb but I'm real, real good

Dark skinned Mike but I still feel bad

I'm a chill pill addict

I wonder if God's still magic

I wonder if Nas stillmatic

Down under the north it's still havoc

Why I run around wonderin', wanderin', ponderin' life

Life 'round here, when

Life ain't really been 'round here in some times

Sometimes it's no one 'round here[Hook][Outro: Chance the Rapper & James Blake]

I ain't been 'round here in a minute

But you ain't been 'round a whole lot

My flesh went through the peoples in this peephole

And said the keyhole and kept the door locked
Part time love is the life 'round here
And wear that fake smile like a cape
Save yourself first, save yourself first
Part time love is the life 'round here
We're never done...
Save yourself first
