Claustrophobia

Alex Drosen

I'd like to be the one to see
Your loving mind at the start
But I get claustrophobia
'Cause there's too many boys in your heartI'd like to know how far you'd go
To use those lips of wine
But I get claustrophobia
'Cause there's too many boys on your mindOh, oh, one, two, three and now there's me
You practice to deceive
You lead me on another one
I've got no room to breatheSo bye bye, you who can't be true
I'm leaving you behind
'Cause I get claustrophobia
'Cause there's too many boys on your mindI get claustrophobia
'Cause there's too many boys on your mindOh, oh, one, two, three and now there's me
You practice to deceive
You lead me on another one
I've got no room to breatheSo bye bye, you who can't be true
I'm leaving you behind
'Cause I get claustrophobia
'Cause there's too many boys on your mind
Too many boys on your mind, too many boys on your mind
