Stupid People

Quincy Punx

Can't tell your ass from a hole in the ground
You'd lose your fucking head if it wasn't screwed on
You smile and you nod like you understand
I'll slap that grin off your face with the back of my handYou're a drroling fucking moron with a hole in your head
A shit talking veggie who'd be better off dead
An imbecile, an idiot a perpetual sap
You've gotta read the directions on a child-proof capYou're stupid and you think it's funny
I bet you believe in the Easter Bunny
You're stupid and you thinks its cool
You think its cute when you play the fool[Repeat first verse]I hate stupid people [12x][Repeat second verse]
