

Packers Tailgate

Green Bay Packers

You got the brats? (Yeah!)
You got the beer? (Yeah!)
You got the tunes? (Yeah!)
I'll bring the barbecue gear Wearing gold? (Yeah!)
You wearing green? (Yeah!)
Let's hit the road! (Yeah!)
You know we're part of the team Chorus
Let's grab our spot in the parking lot
Don't mind a little rain or snow
While the quarterback is still sleepin' in his bed
We're out here ready to go Let's celebrate (Tailgate!)
Don't be late (Tailgate!)
Fly the flags and paint your face The whole state (Tailgate!)
We can't wait (Tailgate!)
You gotta get up early and get yourself pumped for the game Tailgate! Yeah!
Tailgate! Yeah! Verse 2
Stake out some land (Yeah!)
Unload the truck (Yeah!)
Light up the grill (Yeah!)
We're getting all fired up Feeling wild (Yeah!)
Look at this crowd (Yeah!)
We came to play (Yeah!)
The action starts right now Chorus
Let's grab our spot in the parking lot
Don't mind a little rain or snow
While the coaches and the refs are still getting dressed
We're out here ready to go Let's celebrate (Tailgate!)
Don't be late (Tailgate!)
Fly the flags and paint your face The whole state (Tailgate!)
We can't wait (Tailgate!)
You gotta get up early and get yourself pumped for the game Tailgate! Yeah!
Tailgate! Yeah!
