

# Sweet Spot (feat. Jennifer Lopez) (tom Swoon Remix)

## Flo Rida

Let's hit the sweet spot away, way, way, I  
I'm ready to go, I want candy tonight,  
Let's hit the sweet spot away, way, way, I...

Yeah, I wanna hit the spot and make you hot  
And make you feel like everybody need to have it this week  
Baby just a hit, just speak, I got your candy Shawty  
Come around give it to you that deep  
Uh, don't you get me started, hit the after party  
All the night, to a freak that I take you home  
Make you moan, watch the throne  
And yeah mama I'm the kicks, gotta love it  
If you want it you can have it, no question  
Been a whole lot of rubber that I'm touching  
What you know about the candy I'm hustling, mustling  
Taking that Russian  
Bring it back like baby who you rushing  
I feel ready, now my talk is sweet  
I'll be the first to give your body sweet justice  
So pack a luggage and let's let's

Let's hit the sweet spot away, way, way, I  
Let's hit the sweet...
