

# Til I Hear It From You

## Gin Blossoms

I didn't ask, they shouldn't have told me  
At first I'd laugh, but now  
It's sinking in fast, whatever they've sold me  
Well baby, I don't want to take advice from fools  
I'll just figure everything is cool  
Until I hear it from you  
It gets hard, the memory's faded  
Who gets what they say?  
It's likely they're just jealous and jaded  
Well maybe, I don't want to take advice from fools  
I'll just figure everything is cool  
Until I hear it from you  
Until I hear it from you  
I can't let it get me off  
Or break up my train of thought  
As far as I know, nothin's wrong  
Until I hear it from you  
Still thinkin' about not living without it  
Outside lookin' in  
'Til we're talking about not steppin' around it  
Maybe, I don't want to take advice from fools  
I'll just figure everything is cool  
Until I hear it from you  
Until I hear it from you  
Until I hear it from you  
Until I hear it from you  
Until I hear it from you  
Until I hear it from you  
Until I hear it from you  
Until I hear it from you
