

# Sober

## Little Big Town

I wanna walk that line a little crooked  
And live my life a little on the rocks  
Laughing every time I fail  
Not afraid to make a fool of myself  
And keep on dancing when the music stops 'Cause I love being in love  
It's the best kind of drug  
Drunk on the holy lean on your shoulders  
Sweet like a wine as it gets older  
When I die I don't wanna go sober  
When I die I don't wanna go sober You're like drinking from a never ending bottle  
When I think it's gone it's always a little more left  
Lay back with you and close my eyes  
Let the big ol' world just spin on by  
And saying your name with my last breath 'Cause I love being in love  
It's the best kind of drug  
Drunk on the holy lean on your shoulders  
Sweet like a wine as it gets older  
When I die I don't wanna go sober  
When I die I don't wanna go sober I love being in love  
It's the best kind of drug  
Drunk on the holy lean on your shoulders  
Sweet like wine as it gets older  
When I die I don't wanna go sober I love being in love  
It's the best kind of drug  
Drunk on the holy lean on your shoulders  
Sweet like a wine as it gets older  
When I die I don't wanna go sober  
When I die I don't wanna go sober  
When I die I don't wanna go sober
