

# Smilin'

Tim McGraw

The cover of a magazine  
Nothing but paper dream  
Just another fantasy for sale Telling me what I need  
What should I do, who should I be  
And that stuff don't matter to me at all The sky is blue and the sun is shining  
I feel like a bum with a pocket full of diamonds  
I'm free as a bird and my spirit's flyin'  
And that's enough to keep me smilin', smilin' Guru man on my TV set  
Selling the secrets to happiness  
1-800-change your life today Dreams, I've got my own  
I ain't looking for a yellow brick road  
I'm just gonna go my own way The sky is blue and the sun is shining  
I feel like a bum with a pocket full of diamonds  
I'm free as a bird and my spirit's flyin'  
And that's enough to keep me smilin' Smilin', smilin'  
Smilin', smilin' The sky is blue and the sun is shining  
I feel like a bum with a pocket full of diamonds  
I'm free as a bird and my spirit's flyin'  
And that's enough to keep me smilin' I'm still smilin'  
Gotta keep on smilin'  
I'm still smilin'
