

# Sitting

## Christafari

Oh I'm on my way, I know I am, somewhere not so far  
From here  
All I know is all I feel right now, I feel the power growing  
In my hair  
Sitting on my own not by myself, everybody's here with me  
I don't need to touch your face to know, and I don't need to  
Use my eyes to see  
Keep on wondering if I sleep too long, will I always wake  
Up the same (or so)?  
And keep on wondering if I sleep too long, will I even wake up  
Again or something  
Oh I'm on my way I know I am, but times there were when  
I thought not  
Bleeding half my soul in bad company, I thank the moon I  
Had the strength to stop  
I'm not making love to anyone's wishes, only for that light I see  
'Cause when I'm dead and lowered low in my grave, that's gonna  
Be the only thing that's left of me  
And if I make it to the waterside, will I even find me a boat  
(Or so)?  
And if I make it to the waterside, I'll be sure to write you  
Not or something  
Oh I'm on my way, I know I am, somewhere not so far  
From here  
All I know is all I feel right now, I feel the power growing  
In my hair  
Oh life is like a maze of doors and they all open from the  
Side you're on  
Just keep on pushing hard boy, try as you may  
You're going to wind up where you started from  
You're going to wind up where you started from
