

Indestructible (Live at Red Rocks)

Disturbed

Another mission
The powers have called me away
Another time
To carry the colors again
My motivation
An oath I've sworn to defend
To win the honor
Of coming back home again
No explanation
Will matter after we begin
Unlock the dark destroyer that's buried in me
My true vocation
And now my unfortunate friend
You will discover
A war you're unable to win I'll have you know
That I've become Indestructible
Determination that is incorruptible
From the other side
A terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war Another reason
Another cause for me to fight
Another fuse uncovered
Now, for me to light
My dedication
To all that I've sworn to protect
I carry out my orders
With not a regret
A declaration
Embedded deep under my skin
A permanent reminder
Of how we began
No hesitation
When I am commanding the strike
You need to know
That you're in for the fight of your life You will be shown

How I've become Indestructible
Determination that is incorruptible
From the other side
A terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war I'm...Indestructible
Determination that is incorruptible
From the other side
A terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war Indestructible
Determination that is incorruptible
From the other side
A terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war
